

ARTBOOK

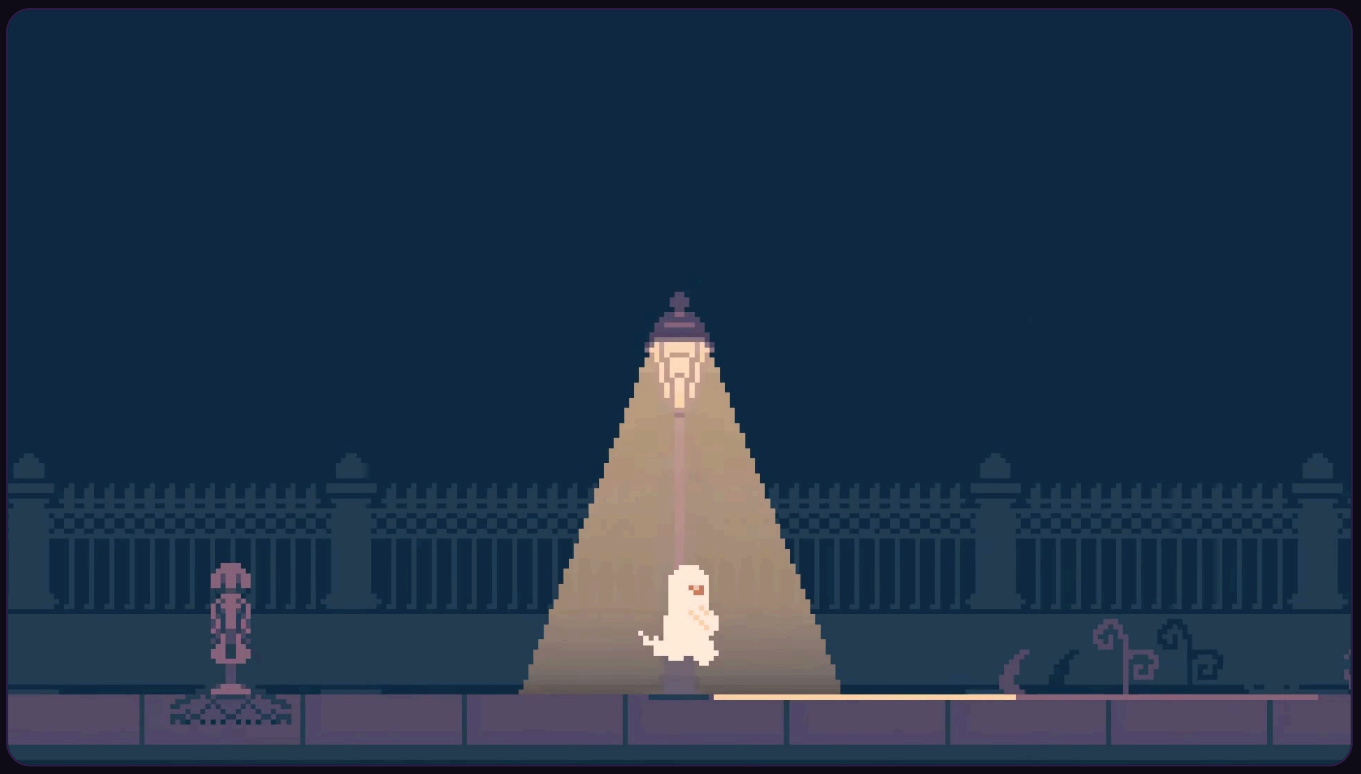

Out of Sight

UJI Game Jam 2026 · Spooky Edition · 48 hours

All art by Julia Fernández Bermejo

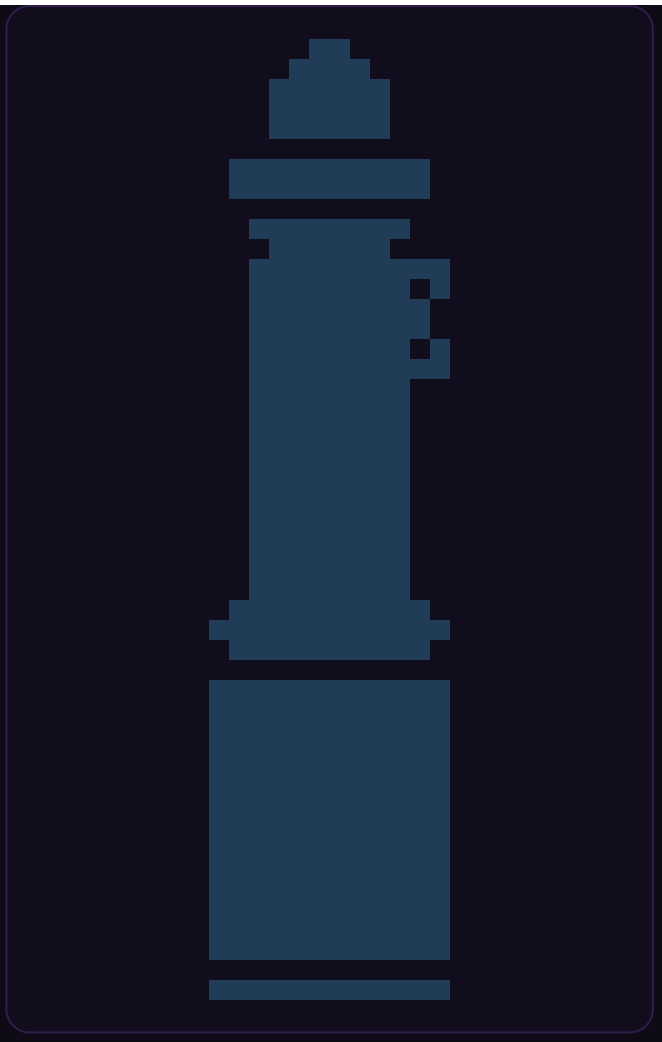

01

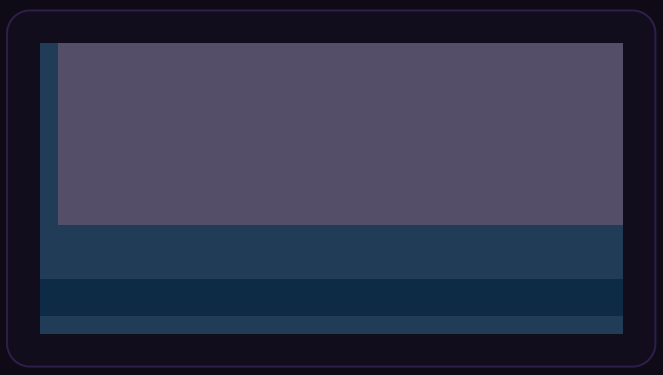

The street

The whole game happens on one pavement. These are the pieces it is built from.

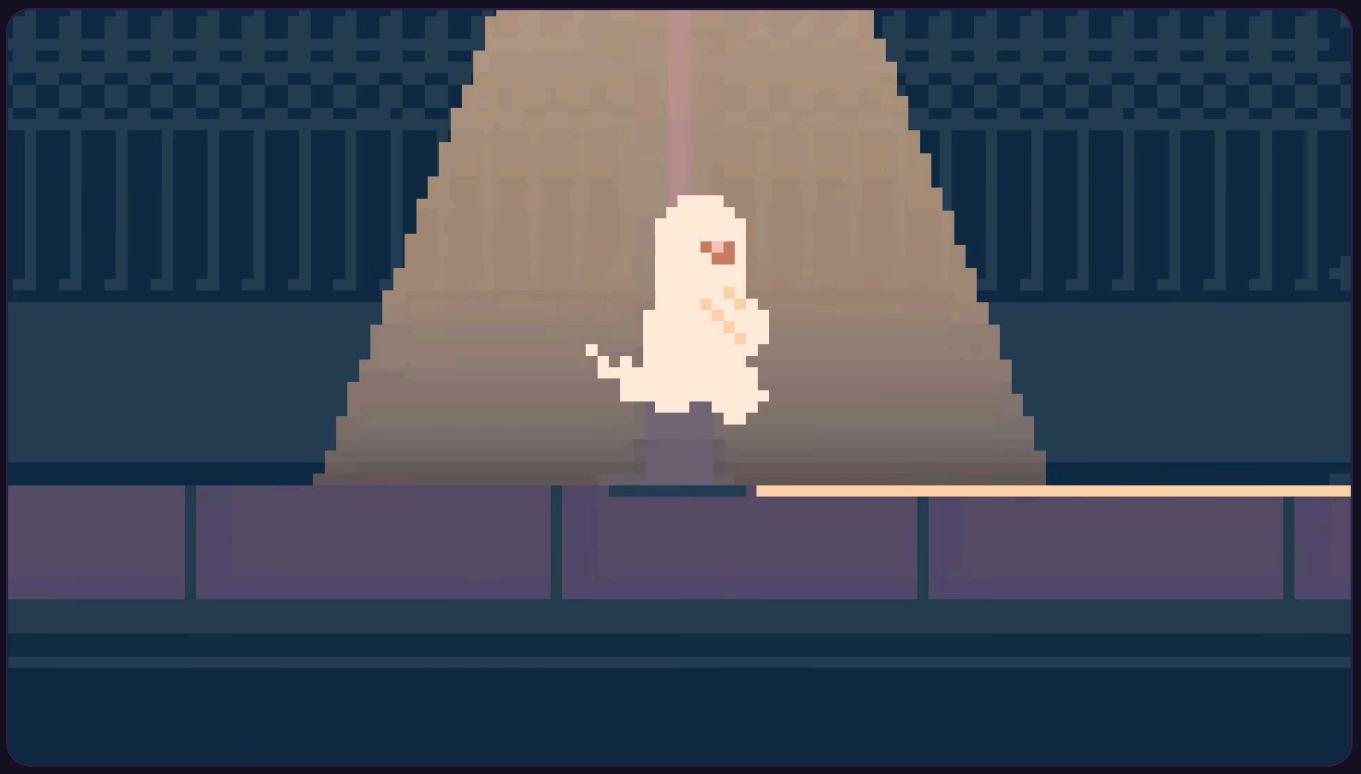

02

The ghost

One silhouette, two colours. In the dark nobody sees you.

03

The humans

Two passers-by, four frames each.

04

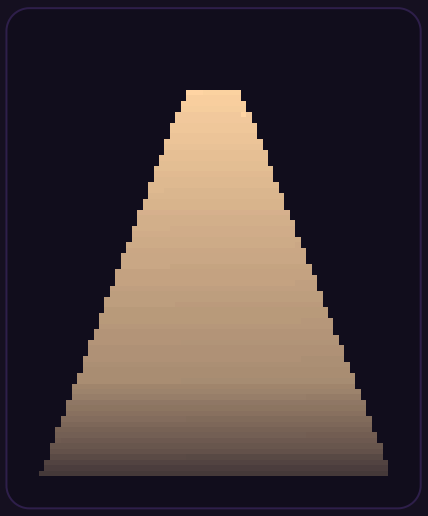

The streetlight

Lit, it is three sprites stacked: the post, the light, and the lamp head on top.

05

The menu

It opens almost black. Click the bulb and the buttons appear.
